Beacon Laundry- Laundry Services

Beacon Laundry is the social enterprise commercial laundry that gives a sheet.

Mission: We're here to create local jobs, career pathways and a workplace where people from all backgrounds can thrive.

- ✓ Have created a workforce of over 220 people. Many from disadvantaged backgrounds. In Bangalow, 80% of the team are people who haven't had the smoothest ride, some have experienced long term unemployment, others are battling with addiction, homelessness or mental health challenges. In Adelaide, they are transitioning an existing laundry to a social enterprise, the team has greater cultural diversity. About 55% are new migrants or refugees, and 16% are people with a disability.

Sustainable Coffee Company- Coffee Supplier

The Sustainable Coffee Company is one of the original specialty coffee roasters in Melbourne – the heart of the world's most progressive coffee culture. Their vision is to offer incredible coffee and to be at the forefront of sustainable business practices.

- ✓ For every kg of coffee sold, \$4 is donated to OzHarvest. This amount enables OzHarvest to collect and provide eight meals to people in need of food relief.
